ADMINISTRATION

MR. C. WARREN DINGLE
SUPERVISING PRINCIPAL

Dear Students,

We believe Fort LeBoeuf High School is a fine educational institution. Because of loyalty, pride in possession, ties of friendship, joys of accomplishment and a highly commendable attitude known as "School Spirit," we rate our school second to none.

Self-rating has its place, but we must remember that the truest evaluation of our school comes from the world outside. The way we work and play, the courtesies we extend to others, and finally, the manner in which we accept the responsibilities of citizenship — these things and these alone, glorify or detract from our school's reputation.

You are making progress in building a pattern of school life worthy of deserved praise. Accept my congratulations and best wishes in your continuing efforts to set high standards for Fort LeBoeuf.

Cordially yours,

C. Warren Dingle

MR. EARL C. STUBBE
PRINCIPAL

To the Class of 1956,

At this time, it is with a sense of genuine satisfaction that I offer to the members of the first graduating class of Fort LeBoeuf High School my most sincere congratulations. I do so, not because of custom, but because you have reached an attainment for which you justly deserve these congratulations.

Your place among men will be determined not by what you receive, but by what you are willing to give in service to mankind. There is no royal road to success. Hard work on the part of the individual is the chief factor that results in worthwhile accomplishments.

May you make the most of your heritage of freedom and develop to the fullest your stake in America's future.

Sincerely,

Earl C. Stubbe
